THE TEACHERS' INSTITUTE.

The Teachers' Institute of Lincoln county was called to order Monday at 10:30 A. M. by Supt. Garland Singleton in the Graded School building. The session was opened by music conducted by Prof. J. W. Ireland with Miss Kate Waters as organist. The devotional period was led by Rev. J. Murray Taylor, who gave the teachers a helpful and encouraging talk, after which our worthy Supt. Singleton delivered the welcome address, with many words of instruction for the week's work.

The instructor for the week, Prof. J. W. Ireland, next gave us the opening address. His words were words of rare wisdom, help and benefit to all teachers who love their work and expect to make a success in this noble work of "The Education of Kentucky's Youth."

With Prof. Ireland as music director and institute instructor, of which there is none better, our genial Supt. Singleton and wide awake, up-to-date corps of Lincoln county teachers, our present session promises to be the best in the history of our county. The enrollment for the day reached 62, which is only a small per cent. as yet of the teachers of the county.

The appointment of committees was the next order of business. The program committee consisted of James A. Hays, Miss Kate Bogle, W. B. Hubble, Prof. Davis and Prof. Ireland, chairman. Committee on resolutions: Miss Georgia Lewis, W. T. White, Leslie Anderson and Mrs. H. D. Phillips, chairman. Miss Stella McClary was appointed secretary. No other business for the morning and the institute was adjourned until 1:30 P. M.

The Monday afternoon session was opened with music by the institute, led by Prof. Ireland with Miss Frances Adams presiding at the organ.

Roll call by the secretary. The subject of School Government was introduced and ably discussed by our instructor, followed by Prof. W. T. White, who gave us practical help by his words in showing us that he fully succeeded along the line of personal school government. Prof. W. B. Hubble gave us the necessary "rules and regulations" in securing a good governed school, and especially dwelling on the fact that the fewer the rules the better the school. General discussion on the Conducting of a Successful Recitation by the institute. Miss Fulsome McGuire spoke in the interest of the Southern School Journal and other educational papers, followed by Mr. S. C. Stevens, of Lexington, in the interest of other educational publications.

After recess Prof. Ireland gave us a means of school discipline, which as all know, is his strong point and most perfect accomplishment. Come and let him charm you with his magnificent voice. You are sure to enjoy it. Miss Roberta O'Bannon gave us a most excellent talk on General Management, which showed deep thought and practical reasoning worthy of a long experienced teacher. Prof. Ireland followed with "Self Control" as the key note to all successful schools in perfect management.

There being no further business the program was read for Tuesday and the institute adjourned.

TUESDAY MORNING.

Music by institute. Devotional exercises by Rev. Yandie, during which time he gave a helpful talk on "What we are To-day and What we Should be To-morrow." The subject of Reading was introduced and briefly discussed by Prof. Ireland, followed by a full explanation of "The National System" by Miss Georgia Lewis and illustrated by a class of little ones taught by Miss Annie McKinney.

AFTERNOON.

Music by the institute led by Prof. Ireland with Miss Kate Bogle as organist. The subject of Grammar was taken up by our instructor and discussed by Misses Kate Bogle, Lena Palmer, Stella McClary and Mr. K. G. Martin. The subject of Geography was ably and fully put before the institute by Mrs. H. D. Phillips, during which she gave us practical class work—a delight to all. The remarks and to know the good work done by Misses Lewis and McKinney can not fail to prove to the progressive teacher that it is the method of to-day. General discussion by the institute. After recess Prof. Leslie Anderson, a student of East Kentucky State Normal, Richmond, spoke to us of "The Duty of the Teacher to the Normal School." The morning session was closed by Prof. Ireland with a selection in Oral Reading, with full explanation of same.

WEDNESDAY MORNING.

Music by institute. Devotional exercises were conducted by Rev. Barker, of the Methodist church, during which period he favored us with a short, helpful talk.

The subject of Arithmetic was introduced by Prof. Ireland in his usual forceful way, followed by a class demonstration in fractions by Mrs. H. D.

Phillips. Mr. Cornelius Ware gave the Practical Results of Arithmetical Discipline. Arithmetic was further discussed by K. G. Martin and Caleb Newell. Rev. J. Loyd Decell, of Union College, Barbourville, and Mr. Morris H. Givens, of Pittsburg, now a student at Yale College, were made honorary members of the institute. Messrs. Wm. Coldiron and Leslie Anderson closed the subject of Arithmetic for the morning. Manual Training was presented by Miss Frances Adams.

AFTERNOON.

The New School Law occupied the greater part of the afternoon session, being explained and fully presented by Prof. Ireland, Mr. S. C. Stevens, of Lexington, and P. W. Grinstead, of Cincinnati, Regent of East Kentucky State Normal at Richmond, and Supt. Singleton ended the discussion for the day. We were then addressed by Mr. C. A. Houston, of Lexington, on the School Improvement League.

Teachers! Read the Southern School Journal.

C. Wintrop Sands, a stepson of W. K. Nanderbilt, was killed in a frightful automobile accident which occurred just outside the grounds of the Vanderbilt country seat.

We are very thankful to Prof. Ireland and Stanford Trustees for the use of their splendid Graded School building. Quite an improvement on the court house and the only place for an institute.

CRAB ORCHARD.

We understand Mrs. O. P. King contemplates rebuilding on the same lot, a nice hotel. She had a most liberal patronage.

Mr. Hugh Logan has beautified and enlarged his hotel near the depot, and makes a model host and spreads an excellent table. He will treat you right.

The corn prospect is exceedingly poor in this vicinity—some of it tassel at knee high. The peach crop will be very large but fruit generally small. Lots of grapes and some apples.

Don't be afraid to tell the teachers of the Graded School you appreciate their past efforts with your children. It will help them along and be very refreshing in their tired moments.

Ward Moore has bought out the butcher business of T. F. Gross and will continue the business at the same place. All who know Ward rest assured he will deal only in the best meats and at the lowest possible prices.

Health of the town is good. Fine waters, cool shady retreats for the complaining, the sweetest, best girls in the world, the most hospitable of people; is it any wonder so many like to visit Crab Orchard and leave in health and fine spirits? God bless the old town and its people.

Miss Fannie King visited Miss Bell Pennington in the country this week. Dr. Rollin Moore, wife and daughter, of Anderson, Ind., were the guests of Mr. W. K. Buchanan and wife last week. They left here for a tour of the great lakes. Mr. W. B. Jarvis, of Cedar Creek, has just returned from a pleasant trip to Toronto, Canada, where he visited his son.

Pain will depart in exactly 20 minutes if one of Dr. Shoop's Pink Pain Tablets is taken. Pain anywhere, Remember! Pain always means congestion, blood pressure—nothing else. Sold by Penny's Drug Store.

The Caleb Powers lecture or harangue at the Madison chautauqua has been called off on account of the indignation of the patrons. We have been fully expecting this. Caleb Powers will have to commence digging for a living before long.—Owensboro Messenger.

Dr. Shoop's Health Coffee is made from pure toasted grains, with malt, nuts, etc. Really it would fool an expert—who might drink it for Coffee. No. 20 or 30 minutes tedious boiling. "Made in a minute" says the doctor. Sold by Penny's Drug Store.

Heat prostrates the nerves. In the summer one needs a tonic to offset the customary hot weather Nerve and Strength depression. You will feel better within 48 hours after beginning to take such a remedy as Dr. Shoop's Restorative. Its prompt action in restoring the weakened nerves is surprising. Of course you won't get entirely strong in a few days, but each day you can actually feel the improvement. That tired, lifeless, spiritless feeling will quickly depart when using the Restorative. Dr. Shoop's Restorative will sharpen a failing appetite; it aids digestion; it will strengthen the weakened Kidneys and Heart by simply rebuilding the worn-out nerves that these organs depend upon. Test it a few days and be convinced. Sold by Penny's Drug Store.

King Edward, of England, has a canary of which he is very fond, and he has taught it to rest on his hand. When with his friends or even with officials whom he knows familiarly, the king likes to have his canary with him. Recently he received a visit from the French Ambassador and took him to his private room. While there a member of the British government arrived and desired to see the king. Lord Knollys, the ever discreet secretary of His Majesty, took a peep into the room. He then said to the cabinet minister: "Don't disturb the king just yet. He is greatly occupied; he has an ambassador on his right and a canary on his left."

Weak Kidneys

Weak Kidneys, surely point to weak kidney Nerves. The Kidneys, like the Heart, and the Stomach, find their weakness, not in the organ itself, but in the Nerve that control and guide and strengthen them. Dr. Shoop's Restorative is a medicine specifically prepared to reach these controlling Nerves. To do this the Kidneys are made healthy. It is a waste of time, and of money as well.
If your back aches or is weak, if the urine is cloudy or is dark and strong, if you have symptoms of Bright's or other distressing or dangerous kidney disease, try Dr. Shoop's Restorative a month—Tablets or Liquid—and see what it can and will do for you. Druggists recommend and sell.

BARNETT.—After a long illness of that dread disease, consumption, Miss Lena Barnett breathed her last at 8 o'clock Wednesday morning. For months she suffered untold agonies and death must have been a sweet relief. Deceased was the only daughter of Mr. Robert Barnett who departed this life nine years ago. Joining the Christian church in her early life, Miss Barnett had for a number of years been a faithful follower of the meek and lowly Nazarine and there is every reason to believe that she is now reaping a glorious reward of her well spent life. She is survived by her excellent mother, who for weeks had watched by her bedside and hoped against hope for the recovery of her offspring. A fond brother is also left to mourn the loss which has come with crushing force. May He Who doeth all things well give them both strength to bear the blow that has been dealt them. At 3 o'clock yesterday afternoon Eld. Joseph Ballou preached a fitting funeral sermon at the late home, after which all that was mortal of the splendid young woman was laid away in Buffalo cemetery.

GIVENS.—Mrs. Mary Carpenter Givens, relict of Mr. Sowell W. Givens, died at her home on Danville Avenue Tuesday morning after a long illness. She was in her 83rd year and all of her long, useful life had been spent in Lincoln county, she having been born in the West End. She was Miss Mary Carpenter, a relative of the several families of that name in this county. Over 60 years ago she was united in marriage to the gentleman mentioned above and he went to his reward in 1892. The following children are left to mourn the loss of the splendid mother who now basks in the sunshine of the God Who gave her: Mrs. G. L. Surber, of Payette, Idaho, Mrs. W. P. Grimes, Mrs. A. G. T. Smith, Mrs. J. L. Beazley and Miss Florence Givens, all of this county, and Messrs. George C. and B. W. Givens, of Middlesboro, and L. B. Givens, of Harrodsburg. May the good Lord give them strength and comfort in their great loss. Three score or more years ago Mrs. Givens united with the Christian church and as long as her health would permit she was a regular attendant at services. She was a valiant church worker and a leader in all good work. Deceased was a kind, gentle woman and truly it can be said that none knew her but to love her. Her death removes from earthly scenes one of the oldest and best women in this section. May the good example she set and the splendid christian life she lived be emulated. Rev. H. C. Garrison, of Danville, assisted by Eld. Joseph Ballou and Rev. J. L. Yandle conducted the funeral services at the late home Wednesday afternoon and the burial followed in Buffalo cemetery in the presence of a large gathering of friends.

JUST IN.—A car-load of Pioneer Wire Fence. E. T. Pence.

THE creditors of Mrs. L. Jane Cloyd are requested to file their claims with me, verified as required by law. J. B. Paxton, Executor.

ON account of continued ill health, I desire to sell privately my entire stock of merchandise consisting of groceries, hardware, etc. Geo. D. Hopper.

OF course you will go to the Danville fair next week. A splendid program has been arranged, including races of various kinds. Go Wednesday and you will go the balance of the week.

THE family of Mr. J. M. Carter, of Moreland, have been enjoying a delightful family reunion. Those present were T. D. Carter and wife, of Mobile, Ala., C. C. Ross and wife, of Stearns, Mrs. Leslie Baker and son, of Jellico, and J. G., J. W. and E. H. Carter, of this county.

IF it rains at the fair, like it has in past years, the display of hosiery will be worth coming miles to see. (Editor Ed Walton and Vernon Richardson will please sit and take notice.)—Lancaster Record. Nay, nay, Lewis. 'Tis not the casket that we prize, but that within the casket lies.

LOOK at your label, which you will find on the first page of this paper. It shows when your subscription was, or will be due. If you are in arrears, call at this office at once or send us the money. The postoffice authorities insist that papers must be paid for or they will not be allowed to go through the mails. Look at your label now.

THE Lancaster fair is drawing them from the four corners. A good crowd was on hand Wednesday, the opening day, and yesterday they were all there. The weather could not be better for a fair if it had been made to order. The show of stock is magnificent and as usual Lincoln county owners are getting their share of the ties. On his mules Mr. James H. Baughman got four blues and three reds. He got first and second on best mares and mule colts, first and second on best mare mule colts, first and second on best yearling mare mule. In fact he only got defeated in one ring.

THE HEADS OF LOUISVILLE HOUSES' VISIT.—The heads of Louisville houses, the business men of that great and growing city, have come and gone and if they feel as good over their stay in Stanford as do our people, the visit will be a pleasant memory for some time to come. Traveling in a magnificent train made up of Pullmans and propelled by two monster engines, the gentlemen who make Louisville the good business city it is, arrived here at 8 P. M. Wednesday evening. The reception committee, composed of a number of our young men, gave them the glad hand and when they stepped from the train invited them to fall in line and march to Walton's Opera House. Morbach's Military Band lead the way and the Louisville gentlemen, about 100 strong, and several hundred Stanford people kept step to the music until the opera house was reached. A few moments were spent in introducing the visitors, after which Hon. J. N. Saunders, chairman of the reception committee, made a brief talk, introducing Mr. Geo. B. Saufley, who welcomed the guests to all that Stanford has or can get. Mr. Sam P. Jones, of the Louisville business men, spoke briefly and introduced Dr. Ben L. Bruner, now Secretary of State, but who claims Louisville as his home by adoption. The other speakers of the evening were Messrs. A. B. Lipacomb, of the Louisville Times, and Fred W. Keisker, of the Louisville Commercial Club. They all thanked the Stanford merchants for their generous patronage, thanked our people for the hearty welcome given them and bade them come to Louisville at any and all times, promising not only cordial treatment but the best goods for the least money. An intermission of some 30 minutes was had when the guests partook of the delightful frappe, coffee and other light refreshments that the good Stanford women had prepared and were elegantly serving. A few minutes in conversation, and it was announced that the remainder of the program would be completed. Miss Berta Jean Penny gave a whistling solo that so caught her hearers that she was forced to respond with another. Miss Mary McRoberts rendered a vocal number very charmingly and it brought forth so much applause that she appeared a second time. Miss Virginia Bourne's piano number was greatly enjoyed and the Stanford quartette gave several vocal selections most creditably. It was after 11 o'clock before the visitors got their consent to leave the happy scene and when they did so the greater portion of the male contingent followed them to the depot and while bidding them adieu insisted that they come again and not put it off long. It was an exceedingly happy occasion and the business men of Stanford are to be congratulated for their time and energy spent in giving their guests such a wholesome welcome. The ladies are to no little extent due the credit of the success of the undertaking and they are due a hearty vote of thanks. Three cheers for them!

The husband and Miss Margaret Denham accompanied the body and returning to Stanford, they remained until yesterday. Mrs. Denham was Miss Janie Steele and she formerly lived in Laurel county. She was teaching in Whitley when Mr. Denham met and married her 13 years ago. She leaves five little children. Deceased was a member of the Methodist church and a good woman.

PRESTON 922.

(Vol. II.)

Preston is one of the greatest five-gaited show horses that Kentucky has ever produced, winning all the Kentucky fairs and also at the horse shows at Louisville, St. Louis and Kansas City. He is a brown horse with black points, 16½ hands high, with fine style and very high action.

Sired by Washington 64. First dam Bell, by Thoderick 104. Second dam by Denmark.

It is useless to commend him, as the people of this and adjoining counties know his record as a show horse and also for breeding purposes.

He will make the season of 1908 at my stable in Crab Orchard at \$15 to insure a living colt. Will keep many on grass at \$2 per month, but not responsible for accident or escape of stock. Season due if mare is traded or parted with.

J. C. BAILEY, Crab Orchard, Ky.

Season of 1908.

SAMPSON.

This young jack will make this season at my farm where I live (the S. H. Baughman farm) 1½ mile south of Stanford on the Somerset pike, at \$10 to insure mare colts and \$5 to insure horse colts. I consider Sampson a great breeding jack. All of his last year colts were extra. I showed two of them at Stanford, Lancaster and Danville fairs and won both 1st and 2nd premiums in colt rings of 5 to 10 entries at all three fairs; also won 1st in the sweepstake ring at Lancaster, the only fair that gave a sweepstake. Eight of his last colts and four of his last colts are now on my farm to show for themselves. I will appreciate any mares sent to him and feel sure you will not regret sending.
